GONÇALO CATARRO

JUNIOR FULL-STACK WEB DEVELOPER

PROFESSIONAL EXPERIENCE

Full Stack Web Developer | Le Wagon Bootcamp:

Acquired expertise in Ruby, Ruby on Rails, CSS, JavaScript, and Database management. Used learnt tools to develop a social media/matchmaking app for musicians to upload multimedia, chat, and connect worldwide. Ready to bring comprehensive web development skills to drive innovation and success in the industry.

WORK EXPERIENCE

ISEC Lisboa Mentoring App, Lisbon

- Built a Rails matchmaking App that serves as the ISEC University's official "buddy" system service, connecting final-year students with newer ones.
- Designed a comprehensive website for Isec Lisboa's student mental health initiative, leveraging HTML, JavaScript, and CSS to create an accessible and engaging platform.
